**APPLICATION FOR PERMIT TO CONSTRUCT UTILITY LINE ALONG OR ACROSS
DESOTO COUNTY ROADS**

Name: _____ **By:** _____

Address: _____

Herein called Applicant proposes to construct a _____ line along
or across _____ between _____
and _____, DeSoto County, Mississippi, and makes application to the
County Road Department with drawings and plans for the construction which will not be varied
without permission of the County Road Manager. Applicant agrees to the following:

- (a) DeSoto County does not purport by issuing the permit to grant applicant any right, title,
claim or easement on said road.
- (b) DeSoto County, through its Road Manager, may at any time require and compel the
reconstruction or relocation of the utility line or any appurtenance thereto when the Board
deems it necessary for the repair, maintenance, widening or reconstruction thereof and all
expense of such reconstruction or relocation is to be borne exclusively by the Applicant.
DeSoto County is in no way liable. It is further understood and agreed that, if this permit
is granted and acted upon by the said Applicant, the County will use all reasonable effort
to avoid the necessity of requesting that the facility be moved, altered, or reconstructed.
- (c) All construction will be done in full compliance with all regulations of the Board of
Supervisors in effect at the time this permit is granted.
- (d) If all work shown on the plan is not completed within one year after issuance of the
permit, the permit is void.
- (e) Applicant will furnish a bond in such amount as required by the Road Manager, payable
to DeSoto County, for all underground work, to be approved by the Chancery Clerk
before work begins for assurance that all damages to the county road will be repaired and
kept repaired for one year.
- (f) Applicant will not release the contractor until final inspection has been made by the Road
Manager, and notice has been given that work is satisfactory.
- (g) Applicant agrees to take all necessary precautions and to assume full responsibility for
safeguarding and directing traffic during construction.
- (h) Applicant is responsible for any conflict with other utilities on the road right of way and
is to secure permission from other utilities for any conflicts and any necessary alterations.
- (i) A copy of the approved plan is to be kept at the site of the work at all times during
construction.
- (j) It is agreed no trees or shrubs on the right of way will be cut, trimmed or damaged except
as shown on the plans, provided wire using utilities may cut and trim trees to the extent
necessary for proper operation of the lines; encasements on paved roads will be installed
by jacking through or by dry-boring that will receive a casing with a snug fit; all sod
disturbed will be replaced and maintained to insure growing sod; and all trenches will be
of minimum width and be backfilled and tamped in lifts not exceeding 6 inches.
